Power Mobile (Data Bank) Plans – 0 MONTHS

INFORMATION ABOUT THE SERVICE

SERVICE DESCRIPTION

This is a SIM only month-to-month post-paid mobile service, which gives you access to our network, a mobile phone number, and lets you make and receive calls, send and receive messages, and have access to mobile data.

MINIMUM TERM

These plans are available on a month-to-month term.

AVAILABILITY

The service will only work in areas with sufficient 4G mobile data coverage. Some plans are also able to utilize 5G mobile networks, as indicated in the table below (capped speeds apply). To access 5G, you will need a 5G enabled plan, a 5G compatible device, and to be in the Telstra Wholesale 5G coverage area. See "Coverage" for further information.

WHAT'S INCLUDED AND EXCLUDED

UNLIMITED NATIONAL CALL AND TEXT VALUE

Your monthly plan allows you to make unlimited standard national calls to fixed and mobile numbers, including unlimited standard SMS and MMS, voicemail retrieval, and calls to 1800 and 13/1300 numbers.

You cannot use this unlimited included value to make calls and send SMS/MMS to international numbers, directory services, satellite numbers, video MMS, or when roaming overseas. These will incur excess usage charges on your monthly bill.

Calls and SMS/MMS to premium numbers (e.g. 19x/189x/VPN numbers), Sensis calls, or other content charges (including third party charges) are barred.

4G & 5G NETWORK ACCESS

All plans are accessible over 4G, with some plans as listed in the table below also including access to the 5G network (capped speeds apply).

Static IP addresses are not available for these services.

UNLIMITED INTERNATIONAL CALL AND TEXT VALUE

Some plans as listed in the table below include unlimited calls and texts to international landlines and mobiles in 15 countries: China, France, Germany, Greece, Hong Kong, India, Ireland, Malaysia, New Zealand, Singapore, South Korea, Thailand, United Kingdom, USA and Vietnam.

This call value cannot be used while roaming overseas.

DATA BANK

Retain up to 500GB of unused data for the 10GB and 15GB Plans and carry it forward into the next month, giving you more data to use than just your allocated quota.

Retain up to 1000GB of unused data for the 29GB, 40GB, 65GB, 100GB, 120GB, 150GB and 180GB Plans and carry it forward into the next month, giving you more data to use than just your allocated quota.

Banked data cannot be used while roaming overseas. Any unused data at the end of the month which would exceed the maximum allowed balance is forfeited.

Downgrading to a smaller plan, changing to a plan which does not support Data Banking, cancelling or porting away your service from us will forfeit any banked data. Any banked data cannot be "gifted" or transferred to another service.

USING YOUR SERVICE OVERSEAS

Your monthly included call and data values do not include usage while you're overseas, so you'll be charged separately for this usage. Roaming Packs are available to be used overseas in some destinations. Roaming is not available in all the countries. Please refer to the International Roaming Sheet for further information.
